

Corner Board

Reinforce and safeguard your shipments with Prime corner board.

Our corner board, constructed from laminated paperboard, delivers excellent cushioning alongside reliable edge protection and stability at a low cost. Designed to offer additional support, they ensure strapped or wrapped pallets stay securely in place during transit, minimizing the risk of shifting.

Available in a wide variety of wing widths, lengths and calipers. Choose from kraft or white top ply.

Applications

Agriculture
Food and Beverage
Furniture
Building Products
